

KI INDUSTRIES, INC.

Welcome to KI, we are glad to have your visit today.

Throughout our 50 + years in business, we have focused on building the best team in our industry, adding capabilities that provide our customers with solutions that meet their growing demands, while building long lasting relationships.

KI strives to be the best supplier to our customers and continually looks for new and innovative ideas to enhance the value of your products. The breadth of our decorative finishes now extends to PVD, chrome plating with a variety of colors, robotic painting, and many, many others. Our automated assembly workstations provide flawless assemblies - every time.

All of us at KI are excited about the opportunity to serve you. Whether you are a current customer or someone looking for an industry leader that can assist you in differentiating your products in the marketplace, we are motivated to perform at a level that exceeds your expectations.

I hope that we will have the opportunity to work with you and be a part of your continued success.

Sincerely,

Dave Goltermann
CEO
